MEMORANDUM FOR: Director of Security
SUBJECT : Briefing of Senate Select Committee
on Surveillance

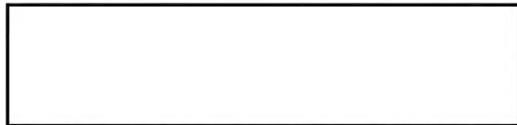

AT
1. As a result of the dry-run briefing concerning
the above topic, it is the consensus of Messrs. Knoche,
[redacted] McMahon, and Breckinridge that the following
outline be utilized:

- I. Purpose of Surveillance
- II. Nature of Surveillance
- III. Categories of Special Coverage
(Included are physical surveillance,
monitoring, electronic surveillance,
mail covers, mail intercepts, and
contacts with IRS)
- IV. Approval Procedure
- V. DCI Directive Concerning Surveillance
dated 1973

2. The briefing should be conducted in the past tense
to avoid giving the impression that the Office of Security
would conduct a surveillance in contravention of the Director's
1973 guidelines. However, during the discussion of the
DCI's 1973 instructions, it was suggested that comments be
included to the effect that we believe them to be too re-
strictive and to cite instances in which we believe surveil-
lance is necessary and proper.

3. Mr. Knoche suggested that a chart be prepared containing the definitions of all the items which make up "special coverage."
